

# **GREAT WESTERN ALPACA SHOW 2008 FIBER ARTS & SKEIN COMPETITION CALL FOR ENTRIES**

## **Calling all fiber enthusiasts**

It's time for the Great Western Alpaca Show to be held at Denver's National Western Complex. This year we are again featuring a Fiber Arts & Skein Competition. GWAS continues to expand the Fiber Arts and Skein Competition in order to encourage more fiber artists and crafters to contribute. If you knit, crochet, weave, felt or spin we are looking forward to seeing your entries. So get those projects out and let's get them finished.

Time is running out and you don't want to miss this Great Western competition.

We are very pleased to have Shirley Ellsworth as our judge this year. Shirley is the owner of Lambspun of Colorado in Ft Collins. She is a long-time weaver, fiber artist and teacher.
